THE DAILY BREEZE

Vol 12 No 22 May 29 1939 Monday Co 491 CCC Warrenton Ore.

WIN ONE, LOSE ONE.

Over the week-end 491 lost a game, a CCC practice game, to Saddle Mt., 7-6, and then took on the strong Gearhart Town Tea m and shellacked them 15-1.

Esquia started chucking in the CCC game and got into trouble, and Alford went in and relieved him, chucking good ball for his first game. The game went an extra inning, and Saddle Mt. pushed over the winning run.

PURTY MOON LASTNIGHT.

WONDER IF Jawn Landrum got a permit from Mr. Bridges this morning before going to town.... .....Alford feels grown up now that he shaves once a week instead of once a month.....five or six more years and he can quit drinking cokes and take to the stronger stuff, such as beet juice or beer.....if everyone who traveled by bus, train or car arrived safely?.....hope so. .....Hank Corrales is going to get a hit when Bencomo's team plays the Red Devils.....

NICE GAME

was played last night on Ye 6lde Grasse Bowle when Bencomo, with Hank Corrales as Manager, gathered up a team of lads and played a team composed of most of the players who have been playing most of the time in the leagues around here.

Not many hits were gathered off Bencomo, who really did some nice chucking, but his team mates let him down in the field by dropping easy flies that would have been outs.

The score stood at 24-3 when the smoke cleared away, favor the Red Devils.

FROM BILLY SUNDAY:

To the people of Warrenton and vicinity:

I wish to say that I am very glad to be back in this community after an absence of two months. It was almost like getting back home when I arrived at Warrenton last week.

I spent eighteen months here before, and during that time I became strongly attached to this section of the country and feel taht I have many warm friends among the fine people of this community. After a very pleasant visit with relatives and friends in my native Tennessee and other parts of the Southland it is indeed great to be back among you Oregonians. I realize now more than ever that this is truly the best section of the United States in which to live, and in my heart the people of this vicinity stand second only to those of my own native section.

SOUTHERNERS 3, HAMMOND 2.

Wow, wotta scare the lads from Hammond handed the Red Devils from 491 last night on Yo Olde' Grasso Bowle when they just did lose 3-2 to 491.

It was nip and tuck up to the last half of the last inning when Prof singled, just did, and pashed in the winning run, Diaz being on third at the time.

Jawn Landrum was put in the 4th spot, as clean-up man, and sure cleaned the bases, by flying out most of the time.

With Crouch and Landrum on base, Pruitt singled just in time to score the two to tie the score where it stood until the last inning.

The Hammond team fielded almost perfectly, and if it weren't for an error or two on their part the score might have been different.

Vol 13 No 8 June 12, 1939 Washday in Warrenton (We hope) Co 491 CCC

491 3, Wheeler 5.

Up to the 8th inning the score was 3-3, when four hits and some lousy umpiring gave them five runs to put the game on ice, 8-3. Four umpires umped and were thrown out of the game, but only after the damage was done.

John Landrum pitched one of the best games since he's been out here, allowing but eight hits, and really mowing 'em down, but twelve men are too much a handicap to overcome, when we had but nine.

SOUTHERNERS 8, JUNIOR SERVICE 6.

In one of the best games seen this year on Gyro Field the Red Devils from 491 jumped onto the offerings of one Bob Lucas, pitcher for Junior Service, for 8 runs, enough to win the ball game.

This makes us third in the League, Uptegrove and Eastern being tied for first, since their game didn't count in the standings.

We have three wins and one defeat.

Jawn (Denny) Landrum got three hits out of four to lead the league in batting with an average of .615. Diaz made one of the most beautiful catches of what was tagged for a hit that has been seen on the field. Almeda, playing second for the first time, played a nice game, but then, all the lads played and hit well.

SOFTBALL GAMES last night, Ft. Stevens diamond, the Coast Guard jumped on all the pitchers Fentons IGA had and towed 'em to shore, 1906. Coach Adams went in for a while and out again, after three or four home runs were parked out near the cannon.

Proutys and Hammond played seven innings and the score stood 10-10, so they quit, calling the thing a tie game. All games with tie scores at the end of the last inning must go on until one side wins.

LOOKED KINDA BLACK for a few innings last night on Ye Olde Grasse Bowle when the Red Devils from 491 were playing Proutys. At one time the score stood 8- 2, favor Proutys, but the heat was soon turned on and the game ended 14-9, favor 491.

Gearhart and the Coast Guard had scheduled a game for the night on the diamond, and were there, cheering for the bottom team, of course. It was one of the most exciting games played out here either last year or this year. Proutys were really hitting that old ball.

The score book is misplaced and the summary will not be in today's issue.

SOUTHERNERS 8, CATHLAMET 0.

Quite some ball game was played on the WHS baseball field yesterday when The Southerners defeated Camp Cathlamet 8-0.

Almeda and Mantooth, (umpire) struck out fifteen men. It was the first game Cathlamet had played this year, and they did very well.

Farrell had a nice day at bat, breaking one and getting two hits and a walk out of four times up. Even Alford got a hit, so that's evidence of the kind of pitching they had.

NOT BAD.

The Red Devils journeyed in a leisurely fashion to Ft. Stevens and played Hammond, winning 7-2, gathering seven hits and seven runs to Hammond's two hits and two runs, and then traveled to Gyro Field and beat O'Brien Gram Spruce outfit, 4-3.

The game at Gyro field ended in the wildest fashion ever seen there either this year or last. We went into the last half of the seventh inning one run behind, 3-2. Alford bunted and got on, Charley Brantly did the same thing, and then Bull Durham started the merry-go-round by laying one down the first base line, and beating it out. Alford scored on the play, and Charley Brantley, noting that they threw wide at the plate to catch Alford kept coming like a freight train, scored, and the game was over.

The crowd was wild and hysterical as the melee ended.

ROY WILLIAMS dug up this little poem about the turtle in the Officers' Quarters and turned it in, so here goes:

There was once a little turtle
Who lived in a box,
He swam in the puddle and climbed on the rocks....
He snapped at the mosquitoes,
He snapped at the flea,
He snapped at the minnow,
He snapped at me-----
He caught the mosquito,
He caught the flea,
He caught the minnow
But he didn't catch me.

TAKE ONE ON CHIN.

The lowliest team in the League, The Warehousemen, won their first game of the season last night at the expense of The Red Devils from 491, 7-5.

It was undoubtedly the worst game we have played this year.

Oh well, as someone once said, the bitter comes with the sweet, or with every thorn there is a rose, or something, so guess we'll all live through it.

Summary:		AB	R	H	W
Durham	rf	4	2	3	0
Almeda	2b	4	1	2	0
Crouch	1b	4	1	2	0
Ginther	P	4	0	1	0

Brantley's long catch of what would have been a homer was the outstanding play of the game.

We know the entire camp will miss him and wish that he wouldn't have to leave.

Best of luck, Lt. and Mrs. Louis Crouch in your new location, Oakridge, Oregon.
